The thinking caps were on.....
Let's have something different.....
How about a Ball!!!!!!
But where will we have it??????
How about the Colossus Hall???????

And the Colossus it was, the venue was set for the Fantastic fives attempt at a B & S Ball.

From this day on several decisions had to be made, including WHAT WILL I WEAR?.

Hey, how about my old formal dress/suit, about time I wore it again.

The time was 7.30 pm (but for typical greeks it was 8.30 pm).
The place was the Colossus Hall.
The crowd became energetic.
The bar was open!!!!!

It was August 15th, 1989, and the Ball had begun. From when the first of the 400+ people walked through the door it was noticeable that the night would be a success.

When the band began to play their rhumbas, mumbas and cha chas, to the limbo contest, and when the band finally finished, the party mood was definitely visible.

Overall the night was a complete success, with special thanks to the other 4 youth committees, GOYA, CYPRIOT, OLYMPIC AND PYA.

See you all next year.....

THE NEXT UP AND COMING FUNCTION WHICH WILL ALSO BE A SUCCESS IS THE DEBUTANTE BALL.
